VERSE 2

Turn around
Every now and then I know you'll never be the boy you
always wanted to be
Turn around
But every now and then I know you'll always be the only boy
who wanted me the way that I am
Turn around
Every now and then I know there's no one in the universe as
magical and wonderful as you
Turn around
Every now and then I know there's nothing any better there's
nothing that I just wouldn't do

CHORUS

Turn around bright eyes
Every now and then I fall apart
Turn around bright eyes
Every now and then I fall apart

MIDDLE

And I need you now tonight, and I need you more than ever
And if you'll only hold me tight we'll be holding on forever
And we'll only be making it right cause we'll never be
wrong together

We can take it to the end of the line

Your love is like a shadow on me all the time

I don't know what to do and I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight, forever's gonna start tonight,
forever's gonna start tonight

Once upon a time I was falling in love, but now I'm only
falling apart

Nothing I can do, a total eclipse of the heart

Once upon a time there was light in my life, but now

there's only love in the dark

Nothing I can say, a total eclipse of the heart

A total eclipse of the heart

Turn around bright eyes
